June 2018

What does Community Options have to Offer?

- ❖ Community Options strives to create a friendly and enjoyable atmosphere in order to encourage social participation in the community.
- ❖ Develop social networks and connections with the community.
- ❖ Support systems: Emphasize physical, social and emotional awareness to encourage and promote self-care. This includes but is not limited to areas of: Relationships and communication, personal and professional development, nutrition, movement, exercise and rest.
- ❖ Various activities in the community including: exercise, cooking skills, swimming, various classes, volunteer work, workshops, clubs, and many other recreation related activities.
- ❖ Active communication and co-operation of the person and their support network. Contact and information provided via e-mail, phone, newsletters, Community Options Survey, satisfaction survey, individual meetings, etc.

What you Can Expect from Community Options

We strive to provide the following on an ongoing basis:

- ❖ OFFER CHOICES!
- ❖ Be positive role-models
- ❖ Provide emotional support and feedback while promoting social skills by offering the opportunity for people to establish new relationships and maintain current ones.
- ❖ Identify needs and desires of the people receiving services: Work on personal, social and vocational goals using skill development, community networking and integration.
