Why Fundraise?

AiMHi's mission and goals focus our work of helping people live good lives. We also want to give employees the proper 'tools' they need to do good work each and every day.

With this said we often identify needs, yet we often do not have the funds to address these needs.

Improvements or updates to homes, vehicles, and equipment or special events are not, for the most part, funded, but important none the less.....

Therefore we need to address the shortfall of funds for such requests as appliances, furniture, vehicles and equipment. We value everyone's input and that is why we have started to fundraise for AiMHi!

Fundraising at AiMHi

Fundraising can be a challenging and exciting experience, it is easier when everyone helps just a little bit. Here are some examples of how easy it can be.....

Third Party Events

A 'Third Party' event is when another group fundraises on our behalf.

An example of this would be the 'Toy Run'. The Toy Run is coordinated by independent community members who simply want help a charity get something they need.

These things happen all the time. Sometimes they are large events and other times they are small private events that are more focused to smaller groups and they may not be in the media.

Here is How You Can Help.....

Help us connect with people who would do a 'Third Party' event such as:

- **Ride/Bike/Walk event**
- **A Pub Night**
- **Events such as dinners or dances**

Help sell Raffle Tickets

Sign up for the 50/50 Employee Draw

Help us make good solid connections with the business community

Help us connect with people in the community who are 'Movers and Shakers' so we can share how they can get involved with AiMHi
