Life Skills Training

- Provides hands on learning and experience to teach skills to assist individuals to be independent in daily living. These goals are determined by the individual and may include:
- Budgeting
- Cooking and food safety skills
- Personal grooming and hygiene
- Personal Fitness
- Community involvement

Community Employment

- Infinite Employment Solutions is a service for persons who need assistance in obtaining employment. We achieve this goal by assisting people to build on employable skills and identifying their unique contributions. At the same time, we work closely with employers to determine their needs and identify suitable candidates to match them with.

Employer Support

- If a business wishes to have assistance during the initial training period, a job coach is made available. As the tasks of the job are mastered, the support from the Job Coach is gradually reduced. Follow-up support is available to assist at any time. Disability awareness training is available for all staff as well.
-

Employment Seekers

Infinite Employment Solutions provides support for job seekers:

- Provides skills and work interest assessment.
- Personalized career planning.
- Personal development training.
- Resume and interview skills.
- Carved and customized employment opportunities.
- Job coaching and customized skills training.
- On-going support with your employment whenever required.

Common Employment Terms

Customized Employment

- A brand new position with duties that did not exist before within a business.

Supported Employment

- Individuals are assisted with obtaining and maintaining employment.

Job Carving

- The modification of a job that already existed within a business.

Self-Employment

- Individuals create and operate their own business
