AiMHi Job Description

Job Title: Asleep Night Worker

Classification: Asleep Residential Night Worker
Grid Level: 5

Job Summary: Ensures the well being of individuals during the night hours. As the job title implies this position sleeps through the night and is required to provide support services under unusual circumstances and in emergency situations.

Reports To: Program Manager

Key Duties and Responsibilities:

1. Notify supervisor of any major problems or emergencies that occur at night.
2. Ensure communication with co-workers both going off shift and coming on shift.
2. Maintain up-to-date knowledge of procedures for evacuations, of fire and safety regulations, and of locations of all fire equipment.
3. Perform other related duties as required or as specified by a program manager.

Essential Functions:

1. Sleeps through the night but is required to wake in order to attend to any minor or major night time needs that may arise (medical, behavioral, or other).
2. Assists in or deals with emergency calls.
3. Maintains complete and accurate records of major night time events.

Qualifications:

Education, Training and Experience: At least 19 years of age. Completion of English 12, or equivalent. Valid First Aid Certificate. Previous experience in the field of Developmental DisAbilities is helpful. Depending on the work site, specific training may need to be taken.

Job Skills And Abilities:

- i) organization and time management skills
- ii) written and verbal communication skills
- iii) interpersonal skills
- iv) ability to work independently and to make sound decisions

Additional Information: This position works during night hours. A moderate level of physical fitness may be required to perform support services.
