## About AiMHi

- AiMHi is the north's largest Community Living Agency and has been serving our community since 1957!
- We have 500+ dedicated, hard-working and caring employees that provide support, advocacy and services to people with developmental disabilities and children with special needs.
- Our culture empowers all people—both those we support and those we employ—to live their best lives at work, at home, and in the community. We strive to create strong, inclusive communities that recognize and celebrate the value of all citizens.

## Role of the Manager

- Accountable for providing effective leadership, operational oversight, and quality assurance across assigned departments and services.
- This role ensures people supported experience meaningful, safe, and fulfilling lives—living their best quality of life in the ways they choose.
- Ensures the agency is compliant applicable legislation, regulations, and standards, including but not limited to: CARF, the Residential Care Act, Funder obligations (MCFD, CLBC), employment standards, collective agreements, and WorkSafe legislation.
- Promoting environments where people supported can truly live their best lives, with dignity, joy, and the freedom to make choices about how they live, participate, and engage in their communities.
- Leading and supporting employees to do their best work through strong supervision, coaching, and performance management, fostering a positive, respectful, and supportive work environment where employees are skilled, accountable, and aligned with person-centred values and high-quality service delivery.
- Providing leadership during critical incidents, including taking charge of situations, making timely and sound decisions, coordinating with professionals, and attending RCMP, hospital, or other professional interventions as required.
- Maintaining ongoing, respectful, and collaborative communication with families and personal support networks.
- Identifying, managing, and mitigating risk in ways that balance safety with dignity, choice, and positive risk-taking.
- Providing oversight to 1–3 departments delivering diverse programs and services, ensuring alignment with organizational values, strategic priorities, and BC social service sector standards.
- Ensuring people supported have access to safe, welcoming, and supportive homes that feel like home and promote wellbeing and belonging.
- Oversight of financial systems to ensure funds are accurately recorded, safeguarded, and used responsibly in accordance with approved budgets.

- Demonstrating initiative, accountability, and sound judgment in fast-paced, high-pressure environments, including on-call crisis response and management of multiple priorities and deadlines.
